

Beacons Netball Club – Netball Coach

START DATE: SEPTEMBER 2021

Beacons Netball Club was formed in 2008 to give players the opportunity to progress and learn more about the sport and encourage them to continue playing throughout life. Since then Beacons has grown from strength to strength and we now have several competitive squads in our club with a strong presence in the local league, offering squad opportunities across Junior, Intermediate and Senior levels. Our predicted number of teams for the season ahead is 9 teams playing in the Senior North West Kent League, 6 - 8 teams playing in the Rising Stars Junior League and 4 teams playing in the Kent County Junior League.

Our squads consist of both performance athletes who play at County and Franchise level, representing Kent County, Surrey County, London Pulse U17 hubs and Surrey Storm U17 hubs, as well as development players who are striving to learn and improve.

Please visit our website for more information about our Squads.
